IMPORTANT INFORMATION FOR AUTHORS

Instructions for authors are available at <http://ap.pef.czu.cz>

All papers will undergo a double blind review process and will be evaluated based on their originality, interest, contribution to the body of knowledge, relevance, applicability and publishability. The authors will be notified about the review outcome after the review process.

The accepted full papers will be published in the refereed **Conference Proceedings** which will be sent to **Thomson Reuters** for evaluation and eventual registration in the **Web of Science** database.

Papers sent after the deadline and those that do not comply with the instructions will not be accepted.

Papers that do not fulfil the criteria for being included in the refereed conference proceedings or are written in Czech will be published on a CD with ISBN.

All papers, in order to be published, must comply with the requirements specified in the conference template available at <http://ap.pef.czu.cz>.

Some conference papers may be invited for publication in the **Agris Online Papers in Economics and Informatics**, a fully refereed academic Journal.
